PROFILE

Marketing Operations Specialist with 4 years of experience supporting US enterprise clients. Skilled in Adobe Workfront administration, Adobe Workfront Fusion automation, and campaigns in Adobe Campaign Classic, Adobe Marketo Engage, HubSpot, and Account Engagement (Pardot). Builds workflows, templates, and SOPs that reduce manual work.

WORK EXPERIENCE

Marketing Operations Specialist
Aug 2023 – Oct 2026

2X Marketing Sdn. Bhd.

Campaign Execution & Automation

- Built and deployed 21+ email campaigns monthly in Adobe Campaign Classic.
- Set up data segmentation and email automation for enterprise clients.
- Built 5 Adobe Workfront Fusion scenarios that turn intake requests into projects automatically.
- Mapped 20+ request types to the right brief form and template, removing daily manual setup.

MarTech Administration & Process

- Served as primary system administrator for Adobe Workfront and Adobe Workfront Fusion.
- Supported the migration of 263 users from Kapost to Adobe Workfront in under 3 months.
- Created 121 Adobe Workfront workflow templates to speed up project setup.
- Wrote and updated SOPs to guide user onboarding and daily processes.
- Uploaded and organized 1,689 product assets during a 12-month WordPress revamp.

Data & Reporting

- Built Adobe Workfront dashboards for senior management to track utilization and project status.

Marketing Operations Associate
Jun 2022 – Aug 2023

2X Marketing Sdn. Bhd.

Campaign Execution

- Deployed B2B campaigns in Account Engagement (Pardot), Adobe Marketo Engage, and HubSpot.
- Built responsive email templates, landing pages, and forms.

Automation & Lead Management

- Set up automated nurture journeys in Account Engagement (Pardot) Engagement Studio.
- Tracked lead lifecycle stages, including MQLs, in Salesforce CRM.

Data & Reporting

- Prepared weekly campaign and email performance reports.

Digital Marketing Intern
Sep 2021 – Feb 2022

HimVentures Sdn. Bhd.

- Built a Facebook Messenger chatbot to answer customer inquiries automatically.
- Designed and maintained a mobile-responsive product sales page.
- Ran Facebook and TikTok ad campaigns that generated RM4,000 in sales.
